Subject: FW: FOR BRUCE REVIEW: Transparency Rule and PFAS

Hi Bruce - Please see attached for another review item that rolled in this afternoon. This is a draft response to a letter we received from Reps McNerney, Tonko, and Pallone regarding how the Scientific Transparency proposed rule would impact PFAS work.

OCIR drafted a response and Sam Linkins and Andy Gillespie edited it to be more consistent with other letters we've sent about the proposed rule. OW has also reviewed and this version reflects their edits. There is some discussion about whether ORD or OW would sign. The current version has Jennifer signing off.

Please let me know by COB tomorrow if you are okay with the response or have additional edits.

Thank you,
Megan
